# BUSINESS WAS BRISK

Yesterday Was a Busy Day at the Stock Yards.

BETTER HOGS OFFERED

Than For Several Weeks-Tops Brought \$3.65.

Business was brisk at the Wichita Union Stock Yards yesterday. The market was stronger to 5c higher Monday is not ordinarily a very busy day, but yesterday proved to be an exception. Tops brought \$3.65. They were sold by Mr. L. M. Beebe of Norwich, Mr. Dan Winn of Edall, J. B. Kell of Clearwater, and L. M. McCrocklin of Derby. Both loads were good, well rounded hogs. The quality yesterday was an improvement on the whole from ordinary shipments. They were for the most part even porkers and were freer from lights and ecrubby hogs than graced the yards during the past two weeks. Yet there were no choice or fancy animals aere. There were thirteen cars unloaded and sold during the day with a good sprinking of wagon hogs. It was late when the men quit work for the night. Competition was sharp, Dold and Wood striving for all that came to the market. The bulk of sales ranged from \$3.5003.60. Table of comparison: Tops yesterday, \$3.65; bulk of sales, \$3.5093.60; receipts, 1231; average weight, 225. Saturday, tops \$2.65; bulk of sales, \$3.5000.55; receipts 618; average weights, 22. LODGING HOUSE

Pours Forth Its Inmates Into an Arctic Night.

Butte, Mont., March 21-The Hale House, a large three-story brick building on East Broadway, used as a lodging and boarding house by miners in the employ of the Anaconda company, was entirely destroyed by fire which broke out shortly after 2 o'clock this morning. So far as known two men are dead from injuries received in jumping from windows; another is dying and twenty are missing, while a search of the ruins may disclose the fact that many transient lodgers lost favorably at its meeting today and to ask their lives also. RESCUING THE LODGERS. There were 250 men and women in the building when the fire broke out. Of these it is believed about 200 escaped without injury. The fire started in the bakery house of the center in the building and had a good start before discovered. The blaze was first discovered by Billy White, Jake Yuch and Jack Dooley. They summoned the firemen and rushed to the upper portion of the building, shouting

that the house was on fire. By this time

the fire had broken through the firs floor and smoke filled the hallways. Dooley and his companions realized that there was no time to lose and they be gan kicking in the doors of the room The men thoughtfuly awakened the w attendance at the wool auction sales to-day. The offerings aggregated 14.517 hales and consisted of a varied selection. There was active competition and the tone of the sales was firm, continental requirements showed a hardening tendency.
